

LETTER

FROM THE CHEF | Sarasota. Please relax and let us provide you with the finest that Sarasota has to offer, either in our elegant yet approachable dining room, or on our one-of-a-kind patio overlooking the gorgeous downtown Sarasota area.

After a beautiful day exploring the Suncoast, we invite you to take a sip of your favorite wine from our curated list, or perhaps allow one of our colleagues to create a crafted cocktail made from the freshest seasonal ingredients. If you are looking for something on the healthier side, our fresh cold pressed juices are delicious and rejuvenating.

Our menu was designed to provide a comforting meal from a unique, yet recognizable perspective. My goal as a Chef is to provide food that people are excited to try, regardless of whether it is their first time in evoq or they are loyal repeat guests. Whether you select from one of our small plates or one of our more substantial offerings, please know that a great deal of thought and care went into the composition and preparation of the meal.

However you decide to enjoy your time at evoq, be it for breakfast, lunch or dinner, with a large group or a more intimate gathering, trust that we will attempt to evoq food memories from long ago or create them anew.

Buen Provecho!

Chef Craig
